New Zealand

Balanced Literacy Program

The first week will consist of a home-stay and time in the classrooms. The usual \$900.00 includes home-stay, food, transportation, and fees to be placed in a school. Let me know if you would like to spend an additional week in New Zealand, either traveling to the south island or to Rotorua in the north island, or both perhaps. Australia is also an option. Please let me know what you want and I will determine the price.

You may be able to earn local or state inservice credits. Check with your county certification specialist.

We will provide airfare at the current price when you book your flights. Be sure to email me at naomi@antietamtravel.com if you want more information.

Note: Groups and/or individuals are invited to go on August 1, 2010, or at any other time that school is in session.
